

And there is no place where you can buy good clothing so cheap, or cheap clothing so good, as right here at the WHEN. The old world no longer takes the lead in the matter of clothing. Men's suits, as well as furnishings and hats, are now made in the United States better than in any place in the world. And the best, the most perfect examples of the latest styles, are here awaiting your examination. The energy and progression of the universe has shifted within the last few years to the Western hemisphere, and at no place can greater evidences of this fact be found than

To-day's papers all publish eulogies of the late President, and devote much space to a discussion of the probable Cuban policy of President Roosevelt, who made many friends here during the Cuban campaign.

MARKS OF RESPECT IN BRAZIL.

Action of the American Colony in Rio

De Janeiro. RIO DE JANEIRO, Sept. 14.-The mem-

bers of the American colony assembled at the City Club here, under the presidency of the United States charge d'affaires, Mr. Dawson, have commissioned Arbuckle brothers to deposit a wreath on President McKinley's coffin.

The following dispatch was sent by the meeting to Secretary Hay at Washington: "The American colony of Rio de Janeiro. in meeting assembled, express the sense of with all Americans, have suffered in the death of our President. The following dispatch was sent to Mrs.

McKinley at Buffalo: "The American colony of Rio de Janeiro extend their heartfelt sympathy and condolences to you in your great bereavement." The death of the President made the greatest impression here. The flags all over the public offices were half-masted. The session of the Chamber of Deputies was suspended and Deputy Serzedello de-

livered an oration referring to the horrible murder and saying that President McKinley's administration only finds its equal agers of the State fair closed the fair and in those of Lincoln and Washington. The House cabled its condolences to the United States House of Representatives and Mrs. McKinley. In the Senate Senator Vicente Machado proposed a resolution of condolence, which was cabled to the United States Senate.

The minister of marine has ordered all the warships to fly their flags at half-mast for three days. President Campos Salles received official confirmation of the death of President Me- | lor and Iver Lawson in straight heats at Kinley this morning, and immediately the Vailsburg to-day. TERMS OF THE CORPORATION AC-

Mills, Which Will Be Reopened

CONFERENCE AT NEW YORK

on Monday Morning.

MR. SHAFFER ACCOMPANIED BY HIS BOARD OF ADVISERS.

No Statement to Be Made Until the "Return to Work" Order Is Issued by the Amalgamated.

NEW YORK, Sept. 14.-The great steel strike, which began on June 30, was brought to an end at a conference held to-day between the leaders of the Amalgamated Association and officers of the subsidiary companies of the United States Steel Corporation. An agreement was signed under mills that have been idle on Monday morning. The announcement was made at the ffice in this city of the American Tin Plate company, where the conference was held. The full terms of the settlement were not divulged, and it was announced that this effect that no statement would be mad until President Shaffer, of the Amalgamated Association, issued his order to the men to return to work. This will be to orrow (Sunday) when he reaches Pittsburg, whither he went immediately after the conference. It was learned, however, from an authoritative source to-night that no concessions were made by the United States Steel Corporation. It was also learned that the Amalgamated Association gave up its right to control in the following

The Crescent, Irondale, Chester, Star, Monongahela, Demmler and Monessen mill The Canal Dover, Hyde Park, Meadow, Saltsburg, Dewees-Wood Wellsville mills, of the American Sheet Steel Company. The Painter, McCutcheon and Clark mills of the American Hoop Company. The Joliet and Milwaukee mills of the Federal Steel Company.

Association was accompanied by three of Tighe, assistant secretary; John Pierce, board. They went to the office of the American Tin-plate Company, President Schwab, of the Steel Corporation, having informed Mr. Shaffer that all further negotiations would have to be conducted with president; Warner Arms, second vice he officers of companies directly con

The Aamalgamated Association officers were met at the tin-plate offices by the following officers of that company: Danlel G. Reed, president; W. T. Graham, first vic president, and William Leeds, third vid president. The American Sheet Steel Con pany was represented by its president. M MacArthur, and the American Steel Hoor Company was represented by I. W. Jenks dent of the Carnegle Steel Company, was also present during part of the conference

Rejoicing at Elwood.

Special to the Indianapolis Journal. ELWOOD, Ind., Sept. 14.-There is gen eral rejoicing in Elwood to-night over of ficial announcement that the steel strike i settled, although local officers have nothing to give out regarding the terms and their effect on the local mill, which emloys two thousand men. The mill has been thoroughly overhauled during the two months' shut-down and is ready to start on a moment's notice. Most of the employes are now out of the city, and there frey, H. C. Tuttle, E. S. R. Seguin, M. Pax- may be some delay in resuming fully on

THE NEW FAMILY HOTEL

Nos. 531 and 533 North Meridian Street.

Never before in the city of Indianapolis has there been erected a building of this nature upon such an expensive or desirable site. There is a broad two-story porch across the entire front and an abundance of foliage furnished by the fine, tall spreading maples, right here at their very best, to rays. The houses on either side are sit uated far enough away to give ample and inusual breathing space and view. The rear yard is a private park inclosed with a high fence, sodded and embellished with vines, flowers and adorned with rustic seats, broadly visible to guests seated in the dining room and to occupants of the rooms above, can only be entered from the house and is not accessible to servants.

An especial feature will be the floral dec-orations of the entrance, porch, sideyard The best use of the superior situation has been exercised to make the St. Charles the most perfect in its details and appointments, which cannot fail to appeal to peoole of refinement and taste. The large reception room on first floor and and will be open at all times to the guests and their friends. The main dining room

praces elaborate art giass, mirrors, decorative plastic effects, original electric light china cabinets. There is also an exquisite ittle private dining room, where guests may entertain their friends. The kitchen is having especial advantages both as to ventary methods for receiving and preserving nished, mostly with private baths, and are
